

Product Name :
Semi-Auto Grease Squeeze Filling Machine

Product Code :
FOOD-CHM001

Description :

Semi-Auto Grease Squeeze Filling Machine

Technical Specification :

This is semi-automatic machine for glass glue, silicone glue, thick mortar materials such as sealant and grease, etc. The machine has no limit for filling container, can be suitable for different containers such as bottles, jars, buckets, hard tubes, etc. The filling machine is equipped with a hydraulic extruder.

Power supply: Single phase, 220V, 2.5kw

Filling range: 100-1000ml

Filling speed: 10-25 pcs/minute

Total Weight: 32kg

Dimensions: 600(length)*550(width)*1450(height)mm
