Product Name : Automatic Vegetable Potato Patty	Product Code : Burger Making Machine FOOD-PPM0007
	EDOCESSING
Description -	
-	Burger Making Machine
Description : Automatic Vegetable Potato Patty Technical Specification :	Burger Making Machine
Automatic Vegetable Potato Patty Fechnical Specification : Potato patty forming machine can can filling stuffing materials by dou	Burger Making Machine automatically feeding ,forming ,output product ,Potato patty making machine ble screw,Potato patty burger machine can different shape etc by changing ing machine can match with other machine to combine a whole line.
Automatic Vegetable Potato Patty Fechnical Specification : Potato patty forming machine can can filling stuffing materials by dou drum . automatic burger patty mak Capacity	automatically feeding ,forming ,output product ,Potato patty making machine ble screw,Potato patty burger machine can different shape etc by changing ing machine can match with other machine to combine a whole line. 2200 pieces/h or 4400pieces/h
Automatic Vegetable Potato Patty Technical Specification : Potato patty forming machine can can filling stuffing materials by dou drum . automatic burger patty mak Capacity /olume of feed bin	automatically feeding ,forming ,output product ,Potato patty making machine ble screw,Potato patty burger machine can different shape etc by changing ing machine can match with other machine to combine a whole line. 2200 pieces/h or 4400pieces/h 32L
Automatic Vegetable Potato Patty Technical Specification : Potato patty forming machine can an filling stuffing materials by dou lrum . automatic burger patty mak Capacity Yolume of feed bin Power	automatically feeding ,forming ,output product ,Potato patty making machine ble screw,Potato patty burger machine can different shape etc by changing ing machine can match with other machine to combine a whole line. 2200 pieces/h or 4400pieces/h 32L 0.92kw
Automatic Vegetable Potato Patty Fechnical Specification : Potato patty forming machine can can filling stuffing materials by dou drum . automatic burger patty mak Capacity /olume of feed bin Power The electricity	automatically feeding ,forming ,output product ,Potato patty making machine ble screw,Potato patty burger machine can different shape etc by changing ing machine can match with other machine to combine a whole line. 2200 pieces/h or 4400pieces/h 32L 0.92kw 380V/50Hz,3P,415v/220v,3p
Automatic Vegetable Potato Patty Technical Specification : Potato patty forming machine can can filling stuffing materials by dou frum . automatic burger patty mak Capacity /olume of feed bin Power The electricity Veight	automatically feeding ,forming ,output product ,Potato patty making machine ble screw,Potato patty burger machine can different shape etc by changing ing machine can match with other machine to combine a whole line. 2200 pieces/h or 4400pieces/h 32L 0.92kw 380V/50Hz,3P,415v/220v,3p 300kg
Automatic Vegetable Potato Patty Fechnical Specification : Potato patty forming machine can can filling stuffing materials by dou drum . automatic burger patty mak	automatically feeding ,forming ,output product ,Potato patty making machine ble screw,Potato patty burger machine can different shape etc by changing ing machine can match with other machine to combine a whole line. 2200 pieces/h or 4400pieces/h 32L 0.92kw 380V/50Hz,3P,415v/220v,3p
