

**Product Name :**  
Automatic CSD Drinks Filling Machine

**Product Code :**  
FOOD-CBFM0002

**Description :**

Automatic CSD Drinks Filling Machine China Manufacturer

**Technical Specification :**

This product is suitable for juice filling line. The design of the lower cam makes the body more stable. The bottle bottom drags the bottom of the glass bottle to ensure the safety of filling. The part that wants to contact with the glass bottle adopts plastic parts, which reduces the damage rate of the bottle.
